# Renewable Energy in Cayman

Watch the Renewable Energy in Cayman video and answer the following questions:

**1** Do you think the Cayman Islands should start moving towards more renewable sources of energy? Why?

---

---

---

**2** How much energy is produced using fossil fuels in Cayman?

---

---

**3** How much energy is produced using renewable energy?

---

---

**4** How much carbon do we produce as a country?

---

---

**5** What does per capita mean and how much do we produce per capita?

---

---

**6** How old will you be by the time Cayman reaches 100% renewability and what 3 things can you do to help us get there?

---

---
